Drawings

2. The formal drawings filed on 11/9/05 have been approved by the examiner.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Raymond L. Owens on December 8, 2005.

CLAIMS:

Cancel claims 15 and 16.

Allowable Subject Matter

4. The following is a statement of reasons for the indication of allowance subject matter: the prior art of record does not teach or suggest the combination transporting the cover plate with a pressure sensitive adhesive material disposed on one surface thereof in alignment with a device substrate through a pressure roller apparatus so that

Art Unit: 2814

the layer of the pressure sensitive material provides uniform bonding between the cover plate and each OLED device on the device substrate. Singulating the device substrate and the bonded cover plate to provide a plurality of individual and packaged OLED devices having a bonded cover plate and permitting access to at least outermost portions of the at least one electrical interconnect area for attaching electrical leads thereto along with the other limitations in claims 1 and 11.

The portion of the reticle that patterns additional test structures is blocked by the blade, forming a fourth die next to the first die on the first wafer using the reticle, the fourth die having a second test structure and a second primary die, wherein the first test structure is in between the second primary die and the second test structure on the first wafer, and the second primary die is formed in the first space that is not patterned during formation of the first die along with the other limitations in claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
